Ms. O'Dair,

I want to take a moment and share our appreciation for a job well done. You and your staff at Discovery Consulting were wonderful and the result of your cost analysis was outstanding for our institution.

Your staff's attention to detail and your willingness to do the footwork with our local, long distance, and cellular carriers made the process painless to my staff while saving our College thousands of dollars in yearly recurring costs. Please know that I would be very happy to be a positive reference for Discovery in the future.

Again, thank you for your assistance in making our telecommunications operation more cost effective and making the process of cost analysis and contract renegotiation so easy for us.

Sincerely,

Keith Fowlkes, M.A., M.B.A.
